Hey quilting friends! There is a lot of info packed into this newsletter. National Quilting Day

A Patch of Lakeshore Quilters will be celebrating National Quilting Day with—what else—a sewing day! We will be gathering at Ascend on Saturday, March 15 from 9:00-4:00 for a day of fun, socializing, sewing, demonstrations, a make n take, and door prizes. We have also reserved Ascend for a sewing day on March 16 from 9:00-4:00. You can sign up for either or both days. All the National Quilting Day activities will take place on Saturday the 15th,

however. The cost of each day is \$10/day, to cover the cost of Ascend.

You can sign up at the next meeting or call Mary Ellen Beebe (920) 629-1819 or Cindy Dillman (407) 873-2944, or email mbeebe48@gmail.com.

Plan to bring your lunch and beverage. Desert will be provided. If you have an interest in demoing, anything, please contact Mary Ellen or Cindy. You will be able to leave your sewing supplies at Ascend if you are coming both days. So, find a project to work on, and sign up!

Making a quilt to donate to a veteran? Please keep the following in mind.

- A Lap Quilt is a preferred size for many.
 - Keep your colors patriotic and purposeful.
 - True red, white and blue. Deep, saturated colors, not pastels.
 - Same goes for the prints themselves. No floral, seasonal or religious.
- Please put a label on your quilt

Your quilt will be truly treasured by a Veteran.

Should I get my quilt judged?

~from an online article by Frances Arnold of Frances Quilts

francesquilts.com/2022/10/25/should-my-quilt-be-judged/

“ Many people are nervous about having their quilts judged. They may be worried that their work is not “good enough” or they may not be happy having someone else tell them what is wrong with their piece. Although these are completely understandable, I would like to encourage you to enter your quilts in the upcoming show AND to have them undergo the judging process!

When a judge looks at a quilt, she is an independent, un-biased individual who is looking at your quilt with the idea of ranking your quilt against the others in the category, but also with the idea of giving helpful comments that can move you further along in your quilting career.

In almost every case, the judge’s first comment is about something good in your quilt. It may be your design, your choice of colors, or the subject matter of the quilt.

She will then start looking at more detail, assessing the skill level that you have brought to your creation. Yes, she may say something that you do not like or agree with, but in most cases, she will give feedback that you can use to make a better quilt the next time.

My suggestion to each of you is that you make the very best quilt that you can make (knowing that your skill is slowly improving) and submit them proudly for judging. Remember that we all started out slow...even the judge!

”

● Gift Boutique

- For those members, especially our newest members, wanting to sell their wonderful creations in the Gift Boutique, any handmade items made by you are welcome. Here's a chance to showcase your talents and earn a bit of money to support your fabric habit!
- Any member is limited to display at any one time, a maximum of 12 items in any one of your categories. As sales are made, your supply may be replenished. Any extra items may be stored underneath the tables and should be placed in boxes or plastic bins with your name on it.
- If you can display your items in a container, i.e., basket, bowl, decorative box – please do so, and put your name on the bottom of the container.
- The Guild retains 10% of all sales.
- An inventory list and sample price tag will be published in a future newsletter. We will also have them at upcoming meetings. We want you to use this uniform inventory list, as it will be much easier to keep an accurate record of all the sales.
- As to the price tags, Walmart has a box of 100 strung marking tags, by Avery, 1 3/4" x 1 3/32", No. 6732.
- Please number your items consecutively.
- Tag should include item number, price and member's last name.
- Each and every item must have a price tag attached to it with a safety pin. Please set your pricing at full dollar or half-dollar amounts for ease in making change.
- Anyone still wishing to donate gently used gift bags can bring them to our meetings. We will donate the tissue paper.
- We would like to have three people on each shift. Two at the checkout and one to help the customers by walking around and keeping an eye out for anyone wanting an item and "forgetting" to pay for it.
- You, or the person dropping off your items, will be asked to sign a disclaimer. The drop-off dates and times will be announced later.
- You will receive your money in the form of a check at a future guild meeting or in the mail.
- If you have any questions, please contact Mary Kay Burish mkburish@baytitle.com 682-7006 or Bonnie Loeh bnloeh@gmail.com 682-3259
